Communication

Alternative and augmentative communication (AAC)

Augmentative communication is the use of materials or techniques that supplement existing verbal abilities.

Alternative communication is communication methods used by a person without any verbal ability.
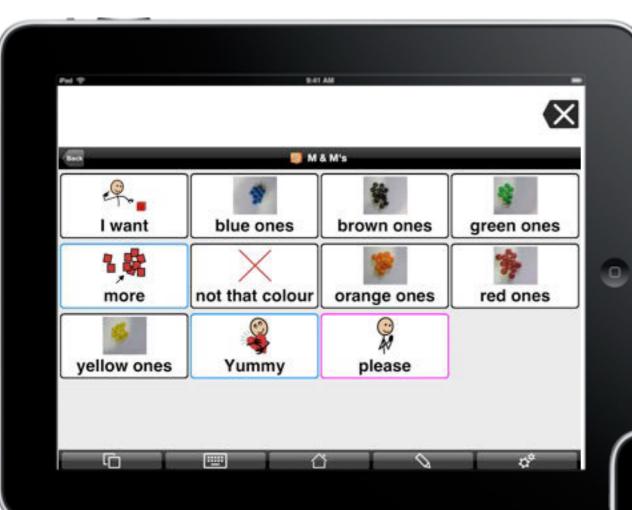

(Vanderheiden and Yoder, 1986)

First iPad (M & M's screen):

I want	blue ones	brown ones	green ones
more	not that colour	orange ones	red ones
yellow ones	Yummy	please	

M & M's

Second iPad (Home screen):

I   want   red   m&m's
