# Proloquo2Go

**Proloquo2Go® is an award-winning Augmentative and Alternative Communication (AAC) solution for iPad, iPhone and iPod touch for people who have difficulty speaking or cannot speak at all. Providing a "voice" to over 50,000 individuals around the world, Proloquo2Go enables people to talk using symbols or typed text in a natural-sounding voice that suits their age and character.**

## Proloquo2Go

Featured in iPad Apps For Kids For DUMMIES

## User Videos

Watch the five Proloquo2Go user videos:

**Enrique** is a 9-years-old boy who has Down Syndrome and does not speak. He now uses
